

## Dayboro – Brisbane Country Wedding Capital?

**Dayboro, 24 th March 2008.** Dayboro is fast becoming the favourite destination for Brisbane brides looking for affordable SE Queensland country weddings. Stunning rural scenery, country hospitality, a variety of great reception venues and [Dayboro accommodation](#) options – and still only 45 minutes from Brisbane makes Dayboro the natural choice for Brisbane country *weddings*.

Blue Ridge Lavender Farm and Retreat owner Sherree Matthews said “We often have brides arriving on the Friday for a day of pampering at our Lavender Farm before their wedding. We arrange for a relaxing massage for the bride and her bridesmaids, along with a soothing facial using our handmade, chemical free Lavender products. They can unwind in our gorgeous Queenslander cottage, sitting on the veranda sipping herbal teas or a glass of wine, overlooking our acres of lavender.”

“On the big day, the cottage is transformed by hairdressers and make-up attendants as the girls get ready. Our cottage is very photogenic – with all the charm a renovated Queenslander brings. Many of the girls have photos done amongst the lavender bushes for something unique in wedding photos” said Sherree.

“After the wedding and reception the new bride and groom return to our secluded cottage for their first night together. We make the night a special one for the couple – with candles, champagne and special treats to help create lovely memories”.

Sherree commented, “Many Brisbane couples come back to stay with us on their anniversaries – for a chance to unwind and recapture the magic of their wedding, or to create new memories for their future”.

Lavender is a natural aromatherapy that reduces stress and helps bring feelings of calm – perfect for brides on the lead up to their special day. Blue Ridge Lavender Farm and Retreat is the ideal location for ***Dayboro wedding accommodation***.
