

When is the right age to play bingo?

Bingo is extremely fun to play but there seems to be a misconception on the age group of bingo players. Most people believe that bingo players tend to reside at the older scale of the human age group. So generally it's fair to say that most people presume that bingo is solely for OAPS. This is stereotypical of the game and also a false premise.

Bingo is a world wide phenomenon because it's simple, lots of fun and doesn't break the bank. And because it has these attributes it attracts a wider audience than expected. It might be stereotyped but I've got [/www.ukbingonews.com/](http://www.ukbingonews.com/) title="bingo news">bingo news for you! Because it's a great game it's widely played by families of all ages on holiday resorts and in homes all other the world.

Bingo is so readily available and in so much demand by people of all ages, that you can now

[/www.littlewoodsbingo.com/littlewoodsbingo/bingo/online-bingo/play-bingo-online.html](http://www.littlewoodsbingo.com/littlewoodsbingo/bingo/online-bingo/play-bingo-online.html) title "play bingo online">play bingo online. Such popular companies like Littlewoods bingo have seen this demand by younger and older folk with computing expertise and a thirst for online bingo that they have readily made it available at the click of a mouse from the comfort of your own home. It's so advanced now that these online bingo games have spiralled into close friendship communities connecting bingo players all over the world.

So the next time you think of bingo, don't jump to your guns and class it has an old persons game. Grab a dabber and Join in on the fun. Remember bingo is for life not just for oldies. Also remember you have to be at least 18 in most countries to play bingo for money.
