

Andrew Weil Cookware

Introducing the Weil by Spring "The Healthy Kitchen" Collection - a cookware and kitchen electronics collection from Dr. Andrew Weil. This innovative line of pots, pans, steamers and more provide toxin-free cooking designed to complement your healthy kitchen and lifestyle.

Developed by Dr Andrew Weil, The Healthy Kitchen brand of high performance cookware is the first authentic cooking brand conducive to healthy living. Dr. Weil's cookware goes great lengths to provide healthy cooking options. While 5-ply bonded construction and an aluminum core ensure optimum heating, it's the unique rolled and sealed rim that prevents core and food from coming into contact.

The Healthy Kitchen brand of high performance cookware is the first authentic cooking brand conducive to healthy living. A Harvard-graduate, Andrew Weil, MD has devoted 30 years to providing a unique approach to health care. The Spring Slow Cooker was developed by [Dr Andrew Weil](#) as part of his Healthy Kitchen brand of high performance kitchen appliances and is conducive to healthy living. This slow cooker combines health & convenience. Stainless steel body, Removable 7 quart ceramic container, Display Screen for recipes, Control Panel, High, low and keep warm settings, Pre-programmed with 40 recipes by Dr. Weil.

In collaboration with Spring Switzerland, which is part of the Waterford Wedgwood family of brands, Dr. Andrew Weil has created an authentic healthy lifestyle brand to provide consumers with appliances for optimal food preparation and which were developed to complement a healthy kitchen, and designed to fit your healthy lifestyle.
