

## Artel Crystal Glasses

Named after an influential design workshop of the early 20th century, Artel creates that favorite of Central European nobles for the past several hundred years, Bohemian crystal. Updated designs by the young American entrepreneur Karen Feldman turn out unusual vases, glasses, and tumblers that are regularly stocked by aspirational retailers such as Paul Smith, Fortnum & Mason, and Scully & Scully. Although plans are in the works for Artel's own Prague store to open in 2007, the current collection is available to view at the Vinohradska location in Vinohrady by appointment only.

Artel Crystal Glass just a few of the items that The Tree Maker offers to our visitors. Imagine putting your very own family coat of arm and family crest on glassware that you drink from. Artel Coffee mugs, Artel wine glasses, and lead crystal vases to marble coasters, bookends, boxes we have grouped a number of popular products that can display your blazon of arms or company logo or corporate symbols. We can also customize our products with special wording or symbols that would be unique for you and the person you are giving the gift to.

[Artel Crystal glass](#) in which a decorative ceramic object is embedded. A Bohemian invention of the 18th century, cameo incrustation was taken up in Paris but had no vogue until Apsley Pellatt, an English glassmaker, developed a technique that resulted in specimens of genuine beauty.

Wine experts say that wine must be served in the Artel best wine crystal glasses to get its full blessing, although not of necessity. There are a few central principles to keep in mind when choosing wine crystal glasses that will help one get the utmost from their favorite bottle. Please purchase online <http://www.etabletop.com>
