

## **littala Essence Glassware**

littala is known for creating objects that are thought through in form, function and quality. Objects with a clear thought, created to achieve long lasting everyday use and inspiration. Whether in metal, wood, porcelain or glass, iittala design objects are tools for contemporary living.

The iittala Tools casserole pans have interior measuring scales and are constructed from an innovative Compound Technology that distributes and retains heat evenly. The iittala Tools frying pans, grill pan and cast-iron pots have each been manufactured from the most appropriate materials for their function and are superb tools that beat the competition. The iittala Tools oven tray is a sleek, functional, and appealing design that completes the set.

[littala](#) continues to be a major driving force of Scandinavian design with legendary designers Franck and Alvar Aalto (1898-1976) as the cornerstones for the brand. iittala objects are design essentials stripped to their core; the pure union of function, form and quality that demonstrates the company's core philosophy of lasting everyday design, against 'throwawayism'.

littala's high quality glass jars turn the eternal problem of storage into decoration. These basic pieces come in three sizes and colors, each with a transparent, plastic lid. They will continue to reinvent themselves in your kitchen or wherever else you choose to use them, whatever you decide to put inside them. Cool and contemporary organization and storage, and beautiful photographic glimpses of your everyday life in perpetual change. Please purchase on online <http://www.etabletop.com>
