

## The Sex Crazy Wimp

The word "WIMP" has a sexual meaning, and it is used to describe a man that will surrender his self-pride for an opportunity get a woman into bed. Life has only a sexual meaning for this type of individual. He is focused only on a female body. He will even exhaust himself cleaning a woman's home for a sexual reward. Wimps are seen working long hours, and having two jobs, not for necessities, but to pay for the luxury items demanded by a high maintenance woman. Employers love to hire a wimp. Finding out who they are, is the special skill of the job interviewer who is desperately searching for a wimp to hire.

There is a special type of woman that requires that a man be a wimp. She is usually attractive and has been used to being treated very well. Every guy she meets throws all kinds of goodies at her, and if a man doesn't show her a great time, she quickly gets rid of him. Most men will not put up with her selfishness for too long. But that is when the wimp makes his entrance; he hangs around and accepts all kind of punishment for a taste of her body. Since there aren't enough wimps available she makes him her main man.

There are men that are not wimps; they have many interests that are just as important as a woman's body. Many men would rather go hunting or fishing than be in the company of an abusive woman. They will not humiliate or degrade themselves for a few hours in bed with a woman that demands their soul. They would rather be alone than subject themselves to that kind of punishment. Most men are searching for a fair minded woman who will want them, not as a sex crazy wimp, but as a sensitive human being. Their search is not hopeless because fair minded women do exist.

Don't give up, not all women will abuse and use you. If you are a guy with a decent job and are willing to take a woman out to dinner a few times a week, there is a good chance that you will meet a woman that will like you. She will even treat you to a night in her bedroom. If you are lucky and find that type of woman, you will not be a wimp, but a happy guy with a horny woman.
