Like many resorts in Cabo San Lucas, Villa del Arco Los Cabos sits on a beautiful stretch of white sandy beach that opens to the picturesque Sea of Cortés. But unlike many of the other vacation rental resorts in Cabo San Lucas, it's has far more to offer than a place to lay your head at night.

When you stay at Villa del Arco Los Cabos, you'll be staying in true comfort. The 5-star resort has spacious, beautifully appointed rooms and suites with private balconies and ocean or garden views. You can also choose to just lie like a vegetable on a poolside chaise lounge, take a dip in the sea, or be an adventurer and try horseback riding. Then, after working up an appetite, you can pick up some groceries at the onsite grocery store and whip up a family favorite in your in-room kitchen / kitchenette.

The Cabo San Lucas fun isn't just limited to Villa del Arco Los Cabos.
