

## Unlimited iPod Movie Downloads For Pennies?

iPod movie downloads are well-sought after by iPod lovers. As long as you own a new video iPod, you would certainly love to get your hands on some of the hottest and newest iPod movies and videos around. The new video iPods can easily store many hours of video and movie entertainment and it is the perfect entertainment companion when you are traveling or simply outside of home. But where can you find quality iPod movie downloads for pennies?

iTunes is the reigning king for iPod movie downloads. People who first bought the iPods would remember going to iTunes to download music and movies. Finding a movie is easy and the whole process is clear and fast. Before you know it, you would have found, downloaded and synchronized it with your video iPod. iTunes contain millions of files and you can even find the latest movies there. Each iPod movie download costs you \$9.99 or more. Compare this to a movie ticket and it is considered cheap. But when you start to compare this price for all their iPod movie downloads, it is hardly cheap at all.

People do not just watch one movie and that's it. During the weekends, folks hope to catch more than one movie. So it is natural that they would find it expensive to get hold the iPod movie downloads at iTunes. Fortunately, there are now other download sites that offer iPod movie downloads for a fraction of the price. Better still, there are sites that offer unlimited downloads of movies for iPod with a one-off price tag. These are the new generation download sites that offer lifetime memberships for iPod movies.

As usual, it is always good to check around and find out more about these download sites for iPod movie downloads. While there are good and reliable ones, there would always be those that turn out to be scam sites or poorly-run membership sites. You can check on the number of movies they carry, and whether the movie files are compatible with your iPod or they require conversion to iPod formats.

Also, read the website to see if customer service is provided at all times. Since there are dozens of such download sites, be sure to also compare the pricing of memberships and whether they offer one-year, two-year or lifetime memberships. You might be interested to find out if they also offer other iPod media files such as iPod music on top of the iPod movie downloads. Such membership sites often offer other media files such as iPod music downloads, TV shows, software and so on.

For the price of \$39.99, you can probably get hold of a quality site for iPod movie downloads. Discover which site is popular among iPod users for iPod movie downloads from my iPod blog.
