

## Ghost Town In The Sky

Step back into the Wild West at this timeless, family-fun destination located in a beautiful mountain setting surrounded with breathtaking views. Nestled high in the Great Smoky Mountains overlooking Maggie Valley, NC., Ghost Town in the Sky is a wonderful place to visit.

To one's great surprise you will find you have arrived right in the middle of the replica of an Old West town! Soon you will be an eyewitness to a staged Old West gunfight right in the middle of town!

A stroll to the opposite side of this beautiful mountaintop and you will be in the middle of a Theme Park! Bumper cars, live music, shows, crafts and a multitude of rides along with plenty of food is guaranteed to provide fun for all ages! This Ghost Town In The Sky will provide memories of a lifetime!

For more information visit:

<http://www.theme-park-fun.info>

Note: Due to high elevation it does get 5-20 degrees cooler on the mountaintop than down on the ground below. So please don't forget to check the local weather forecast and dress warmly!

Ghost Town In The Sky is a family fun theme park at it's best! ~Anthony Benjamin~ <http://www.appalachian-treasures.com>

### About the Author

Anthony Benjamin is an avid world traveler, lover of nature and animals. He loves to write and share his wealth of information and adventures in his writings. His favorite place to retreat and write is his summer home, secluded high on a mountaintop in the Great Smoky Mountains.
