

## Boating Apparel - Funny T-Shirts

Funny T-shirts can open up the conversation in any boating adventure

So, you're out on the water with your buddies when one of them squints, trying to read your T-shirt. It says, "How to keep a retard busy: read the back." Your friend walks around to your back and reads the other side, "How to keep a retard busy: read the back." Your friend looks stumped, but still walks around to read the front of your T-shirt again and again and again. By now you can imagine everyone cracking up at your one still quite confused friend. A funny tee shirt can really make for good times out on the water because not only do they show off your true personality; they create a friendly environment to make everyone more comfortable.

What is a good boat trip without a few jokes and a few laughs? Because having fun on the water means having a few jokes up your sleeve, just think of your funny T-shirt as a joke you wear all day long! Jokes are the central part of a good boat party and with a tee shirt that does the joking for you; you can have even more fun on the water. Wear a funny T-shirt on the water and you will see.

So, what qualifies as a funny T-shirt for your [lake boating](#)? This is the debatable factor that makes wearing something you think is funny on your back actually funny. While you may think it's normal your friends may crack up at it. What's even funnier is if you think it's the funniest slogan/ logo you have ever seen, but your friends don't quite get it.
