Returning exhibitor, Extricom to showcase its WLAN infrastructure at 2008 Wireless & Mobile Expo and Conference

February 15, 2008 - Toronto, Canada –WowGao Inc. announces that Extricom will be returning to exhibit at the 2008 Wireless Mobile Expo and Conference, scheduled on July 15 & 16, 2008 at the Metro Toronto Convention Centre in Toronto, Canada. They are the well known enterprise offering WLAN infrastructure solutions for converged data, voice (VoWLAN) and video.

Extricom has successfully and dramatically made it easier to deploy WLAN thereby lowering the overall cost of ownership. Moreover, by this achievement they also achieved a generational leap in terms of capacity, coverage, seamless mobility and security performance. Not just that their total efforts resulted in a large scale WLAN infrastructure delivering enterprise-wide triple play services with the dependability of a wired network.

The Wireless Mobile Expo and Conference will bring into light the latest products and solutions that brought appreciable revolution in the worlds approach to the technology in the Wireless and Mobile service industry, such as Enterprise Wireless Networking, Wi-Fi, Mobile Convergence, Bluetooth, WiMax, Wireless Broadband, Mobile Devices, Wireless Security, Mobile Computing, VoIP and much more.
